EXPERIENCE

OPENCLASSROOMS | Paris, France | 2018–Present

Accreditation, Partnerships & Quality Assurance — Leadership

2026–Present

Co-lead accreditation, certification, partnerships and quality assurance within Learning Products.

- **Lead a team overseeing 17 RNCP certifications**, coordinating renewals, compliance and stakeholder relationships.
- **Successfully led the 2026 Qualiopi renewal audit**, from organisation-wide preparation and evidence gathering through follow-up.
- Oversee WSCUC institutional accreditation compliance and develop academic governance policies and scalable cross-functional processes.
- Advise senior leaders and partner with Learning, Product, Operations, Legal, Finance and HR on quality, regulatory and organisational improvement.

2024–2026

Certification & Partnerships Manager

- Led RNCP registration and renewal projects from opportunity analysis through competency and assessment frameworks to France Compétences submission.
- Led the CAMES/PRED international accreditation renewal, coordinating self-evaluation, evidence and data collection, stakeholder contributions and external evaluation preparation; also managed certification partnerships and regulatory delivery processes.
- Developed OpenClassrooms' Titre Professionnel examination-centre activity with DRIEETS and external examination partners.

2018–2024

Quality Assurance Manager

- **Built the end-to-end content quality assurance approach from scratch**: standards, review methods, workflows, reporting and continuous-improvement mechanisms.
- **Created custom Salesforce and Zendesk dashboards** used by Learning teams to analyse tickets by program, typology and resolution time.
- Turned operational data, audits and stakeholder feedback into actionable insights, root-cause analysis and prioritised improvement initiatives.
- Recruited, onboarded and developed quality team members while embedding quality practices across Learning, Product, Operations and Support.
